GERMAN PRESS HAS OPENED ON GIRARD

American Ambassador Is Charged
With Pro-British Motives—Denial Is Made.

(By Associated Press.)
Berlin, Sept. 14.—The American ambassador is again under fire in a section of the German press, this time for a remark attributed to him regarding a speech made recently by Dr. Gustav Stresemann, National member of the Reichstag, advocating among other things a resumption of the submarine warfare.

Ambassador Gerard is quoted as saying that he did not understand how the representatives of districts for which export to America was a vital question, could advocate ruthless submarine warfare.

The National Liberal Press Agency, in a communication to the newspapers, takes the ambassador to task for what is termed "unwarranted intervention in a purely German question."

The paper declares Ambassador Gerard would do better to leave to the responsible German authorities the decision on what use is to be made of the means at their command against England, and adds:

"The art and manner in which Ambassador Gerard—and not for the first time—looks after British interests is extremely characteristic of his general attitude."

The American ambassador in reply says that he never heard of Dr. Stresemann's speech and certainly never made any public utterance of the nature attributed to him. His attitude on the submarine issue, he declares, is based on pro-American, not pro-British motives.

HAD BEEN ABANDONED BY GREEK GARRISON

No Sooner Had the Greek Garrison Withdrawn From Port Kavala Than the Turks Pillaged the Place and Massacred the People—The Germans Were Repulsed in Attempting to Regain Lost Ground On Somme Front—Serbians Captured Bulgarian Trenches On the Macedonian Front—Berlin Says Assaults on the German Lines Were Repulsed With Sanguinary Losses For the Allies.

London, Sept. 1.—The Germans were repulsed last night in several attempts to regain lost ground from the French North and South of the Somme river, and east of the Meuse at Vaux and Chapitre wood, the French war office says.

On the Macedonian front the Serbians captured Bulgarian trenches near Vetrink and the heights Northwest of Lake Ostrovo, after violent fighting, according to the French statement from this point.

The battle now in progress South of the lake is turning in favor of the allies, the statement adds.

The Greek port of Kavala was pillaged and the civilians massacred by Turks on the withdrawal of the Greek garrison, according to a Havas Salonica dispatch.

Rumanian troops repulsed a series of attacks by the Germans and Bulgarians in Dobrudja, Petrograd announces.

Berlin says repeated and violent assaults against the Germans on the Somme front were repulsed with sanguinary losses for the allies.

WATSON GETS BAIL IN SUM OF \$20,000

Judge A. J. Harper Makes Decision at
9:30 p. m., Ending Stubborn
Contest.

(By Associated Press.)
Waco, Tex., Sept. 1.—T. R. Watson, charged by indictment in McLennan County with the murder of John S. Patterson, commissioner of insurance and banking, at Teague Aug. 28, was admitted to bail by Judge A. J. Harper of the court of criminal appeals in the sum of \$20,000 last night at 9:30 o'clock.

The decision of Judge Harper was rendered at conclusion of one of the most stubbornly contested habeas corpus proceedings ever held in the state. The application for the writ was presented to Judge Harper a week ago at Austin and the hearing opened last Friday morning.

The state throughout introduced a number of strong witnesses, but the defense introduced only character witnesses and the wife of defendant, who was permitted to testify that her husband had informed her immediately after the shooting that he had shot Patterson because the deceased had abused him and his boys and had threatened to shoot him.

The state objected strenuously to the admission of the testimony. The attorneys began their arguments at the middle of the afternoon, and a night session of court was held so that the case might be finished.

Lud Williams for the state and Pat Neff for the defense spoke at night, while R. L. Williford of Fairfield and Jed Adams of Dallas, for the defense, and County Attorney McNamara and his assistant, D. C. Woods, for the state, all spoke during the afternoon.

Watson Is Congratulated.

In granting bail to the defendant Judge Harper rendered a lengthy and exhaustive opinion. As soon as his decision was announced Mrs. Watson leaned over and kissed her husband, the defendant, and he was quickly surrounded by friends who congratulated him.

Watson Gave Bond.

Waco, Texas, Sept. 14.—Bail in the sum of \$20,000 granted last night to T. R. Watson, charged by indictment with the murder of Bank Commissioner Patterson, by Justice Harper, was furnished this morning. The bond was signed by his aged father, two brothers and Banker W. W. Seley of Waco, in addition to himself.

Were for Felonies and 9 for
Misdemeanors.

The grand jurors made their final report for the term yesterday afternoon and were discharged by Judge Scott. They filed a written report, which is as follows:

The State of Texas, County of Brazos—In the District Court of Brazos County, Texas, September Term, A. D. 1916. To the Honorable J. C. Scott, Judge of said Court:

MORE TROOPS TO TEXAS BORDER

fully suggest and recommend to the commissioners' court that the quarterly report made by it be published in full, as contemplated and required by the law, in order that the taxpayers of the county may know for what their money is being expended.

Third—The result of our labors disclose the fact that during the last six months the commission of crime in this county has been below the average. This condition ought to prevail in every civilized community and will prevail if the citizenship of the county will lend their active support to the officers in ferreting out crime and seeing to it that the guilty are punished. Officers and juries are powerless without the co-operation and hearty support of every honest and patriotic citizen.

Fourth—Our labors having come to an end we submit this as our final report and beg to be now finally discharged. Respectfully submitted,

J. P. GILPIN,
Foreman.
J. D. MARTIN,
